

SUCCESSCOACH

A lot has changed since you were last in school, and your personal Success Coach is here to help you navigate those changes. This isn't a software program or an automated system, but a living, breathing professional assigned to work with you from the day you choose to enroll at Strayer University until the day you graduate.

If ever you need help navigating this new experience, you can contact your Success Coach directly by email, phone, text, or in-person.

WHEN YOU START

YOUR COACH CAN:

- Show you how to use the Blackboard student portal.
- Show you where your classes are located.
- Tell you what to expect throughout your first quarter.
- Help you set educational, career, and life goals.
- Answer any questions that you have.

WHILE IN SCHOOL

YOUR COACH CAN:

- Connect you with tutors.
- Create individualized classroom and learning success tips.
- Evaluate your progress and give early warnings for any academic risks.
- Help you reevaluate your goals and set new ones.

BEFORE GRADUATION

YOUR COACH CAN:

- Explain the logistics of graduation.
- Point out resources to use for finding a job.
- Put you in contact with career placement services.
- Show you how to access the alumni database.
